

1. Please comment on the section leader's knowledge and presentation of the material and how well he/she coordinated the sections with lectures.**Strengths**

- Really friendly, upbeat, sometimes snappish. Her sarcasm encouraged me to learn quickly.
- Evita was extremely knowledgeable about the course material and always presented the material in a clear and concise manner. The sections were always coordinated well with lecture, and she even took the initiative to move us along to catch up with the other classes so we could be on the same page as them.
- Evita was great, very few complaints, she knows what she is doing.
- Evita did a great job keeping up with the content being discussed in lecture. She was even ahead of the lectures for some of the time such that at the end of the quarter she had time for multiple days of finals review.
- Really forces you to understand the material.

Suggestions for Improvement

- None. Evita was fantastic!
- She really should slow down a bit, there comes a point at which one just gets lost with her pace.
- None.

2. Please comment on the section leader's effectiveness as a discussion leader, his/her ability to answer questions and keep the discussion on track.**Strengths**

- Discussion was focused and helpful. I liked how (near the end of the quarter) she introduced topics before the professor started the lecture.
- She ALWAYS answered questions extremely well and was very effective at making sure everyone understood the explanation. She really seemed to care about our personal success in the course, which you don't see with too many TAs. We were never off track in the class, as what she was explaining always pertained to the course material.
- She was great at doing all of the above, she was just a bit too good, going unreasonably fast at times.
- Excellent. Evita is awesome! She should teach more.
- Great at answering questions.

Suggestions for Improvement

- Slowing down, she's a great teacher, I think everybody would benefit from her diminishing her pace.
- None.

3. Please comment on the attitude of the section leader towards the students and his/her availability outside of class.**Strengths**

- She was nice.
- The fact that Evita was so concerned with our success within MATH51 was touching. Furthermore, she would not move on in class if she even saw a confused look on someone's face. It was clear she cared about us and actively made herself available to our questions when possible.
- Evita was always there for her students, a fact which was dearly appreciated.
- She cuts right to the chase, but she's great.
- Very available

- Like I said, she was a fantastic section leader. I don't think I've had a section leader who has cared this much about the success of her students before, and it was refreshing. Thanks Evita!
- Evita was a great section leader and really helped me through a lot of the course material.

- Evita was a phenomenal section leader, I feel really lucky to have her. She was especially good at gauging whether or not the class was learning the material that she was teaching.
- Fantastic. Really cared that we learned the info.
- THE BEST TA I'VE EVER HAD AT STANFORD
